

LOOK AFTER THE ENVIRONMENT!

Lots of animals are getting killed from all smoke and fuel from cars, we must look after our environment otherwise we will have no plants, animals or air so let's look after our environment.

when we don't look after the environment the environment does not look after us so let's look after environment, everyone wants to be taken care of and not be by themselves right?

EXAMPLE:

-IF WE DO NOT LOOK AFTER THE ENVIRONMENT AND GIVE SMOKE TO IT IT WILL GIVE US BUSHFIRES

-IF WE THROW GAS THE ENVIRONMENT GIVES US A VERY NOT NICE SMELL

-IF WE LOOK AFTER IT AND NOT THROW GAS, SMOKE OR FUEL THE ENVIRONMENT WILL NOT GIVE US ANY VERY BAD SMELL OR BUSHFIRES

-SO LETS LOOK AFTER THE ENVIRONMENT SO WE ALSO GET LOOKED AFTER BY IT

**look after
environment
to stop
bushfires!**
